com.kms.katalon.core.exception.StepErrorException: New Test Suite.ts:Click on VPOS button in First View screen is not Clickable

The screenshot displays the 'FIRSTVIEW' user profile interface. At the top, a navigation bar includes 'Home', 'Account Settings', and 'Logout'. Below this, a status bar shows 'IRS Match Status: MATCHED'. The main content area is divided into a left sidebar with 'Home', 'Search Transactions', and 'Account Settings' (selected), and a central 'User Profile' section. The 'User Profile' section contains 'Account Info' with a yellow warning box stating 'You need to verify your account. Please select a validation method and click send.' Below this, user details are listed: Username: ZenQRetail, Email: ISQATestResults@first-american.net, and Cell Phone: (817) 317-2667. There are three main sections for editing: 'Edit User Info' with fields for First Name (ZenQ) and Last Name (Test3); 'Change Email Address' with fields for Email and Confirm Email; and 'Change Cell Phone'. A 'Change User Profile' link is also present on the right side of the profile section.
